

SYLLABUS

- We have made 3 groups Peony, Tulip and Cosmos as per their age groups. For example P.G. / Pre Nursery is placed in Peony, L.K.G/Jr. KG is placed in Tulip and U.K.G. / KG / Prep is placed in Cosmos.
- The age group for Peony is 2 year to 3.5 years, for Tulip age group is 3.5 years to 4.5 years and for Cosmos age group is 4.5 to 6 years.
- Twenty Questions are divided into **Five Sections**; Thought Process, Decision Making, Resource Utilization, I. Q. and Hots.
In Thought Process, questions will be imagination or observation based.
In Decision Making, questions will be based on observation, analysis and then conclusion.
In Resource Utilization, such questions will be asked which need utilization of surroundings.
In I. Q. section, such questions will be asked which require simple logic.

In short, if student is aware of his/her surroundings and practicing our Work-Book then he/she can easily clear our test.

Exam Schedule

- **BRAINIAC BRAIN BOOSTER** Exam is schedule twice in a session. Basic Stage is conducted in a month of September-October and Advance Stage is conducted in a month of January - February.
- A school has to choose any date (single date) for Basic Stage and Advance Stage. For example XYZ school choose 3 October for Basic Stage and 29 January for Advance Stage.

Note - Result of any stage is declared within FOUR WEEKS from the date of answer sheets received from the schools.
